FIRST-IN-THE-FAMILY EDUCATION FUND

Alumni and friends come together
to support the Fund with songs and gifts

A tribute to

Vice-Chancellor Lap-Chee Tsui
In 2008, Vice-Chancellor Lap-Chee Tsui established the “First-in-the-Family Education Fund” (FIFE Fund) to create equal learning opportunities.

2008年，徐立之校長成立「第一代大學生助學金」，造就均等學習。
Message from Chairman, FIFE Fund Steering Committee

The First-in-the-Family Education Fund has helped many grass-roots students to realise their dreams, providing them with equal learning opportunities despite their family financial constraints.

An underlying principle of Professor Lap-Chee Tsui’s vision for the Fund is that it encourages students to pay forward, and in future these students will offer a helping hand to those in need.

My heartfelt thanks to Mr Patrick Yeung for championing such a meaningful event and bringing the supporters together with a remarkable musical evening.

We know our students will one day also create opportunities for others.

David Wong
Chairman, FIFE Fund Steering Committee
Message from the Convenor

There is no better way to pay tribute to Vice-Chancellor Lap-Chee Tsui for his contribution and leadership in the past 12 years than with music, the universal language for all humankind.

The First-in-the-Family Education Fund is just one of the many fine examples of what he has built at HKU, a legacy which we are most honoured to contribute to.

Patrick Yeung
Convenor of "To Sir with Love"

**Wong Ka Shing, Ken**  
Year 4, Li Ka Shing Faculty of Medicine

“I had the opportunity to be exposed to a wide variety of cases, some of which were rare diseases, due to the great number of patients the Hospital serves. I was able to learn a tremendous amount about symptoms and diagnostic skills. Witnessing the level of mistrust in doctor-patient relationships in the Chinese Mainland reinforced my belief that building trust is an area that should never be overlooked while we pursue our professional knowledge and accumulate clinical experience.”

Year 2, Faculty of Arts

“We helped transplant about 300 mangrove seedlings into a wetland and, to appreciate nature, we explored the tropical forests of Mount Kinabalu and the marine habitat of Sapi Island. The two-day discussion on environmental issues with professors and students at the University of Malaysia Sabah gave me new perspectives and I would like to further my mission of promoting conservation to those around me.”

赴越南當義務老師

吳雨岸
社會科學學院 二年級生

我在越南擔任義務老師，向小學生教授英語，更協助在當地小學興建、粉飾新圖書館，為當地兒童營造理想的閱讀環境。另外，我走訪當地人的住所，逐家逐戶推廣衛生知識，教他們用肥皂洗手，希望他們注視公共衛生的重要性。此行令主修政治與公共行政學的我啟發良多，我體會政治狀況如何影響民生，思考因貧窮而衍生的居住、教育等問題。與此同時，我反思香港貧富懸殊的問題，學懂更珍惜眼前的生活。
